

HEAD OFFICE GROUP WORKSTATION SYSTEMS

 HEADOFFICE GROUP

WORKSTATION SYSTEMS

*Beautifully designed,
Australian made
workstation systems.*

With 25 years of workstation and office furniture experience, Head Office Group can provide architects, interior designers, project managers and builders with the latest in Australian made and owned commercial systems furniture.

With manufacturing and production facilities in Sydney our lead times are kept to a minimum. Head Office Group has the ability to supply and install custom workstations to a wide range of sizes, heights, colours and accessories. Some of our clients include Bluescope Steel, Coca Cola, Smiths Snack foods, Bunnings, Singapore Airlines, Liberty International Underwriters, Tower Insurance, United Group, Transfield and Downer Engineering.

OUR MISSION

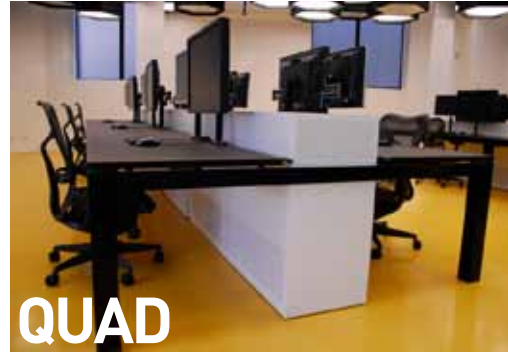

Since 1987 Head Office Group was formed with the business plan to offer quality Australian made workstation systems to the local market. In 1992, Head Office Group opened its own manufacturing division and has continued to offer good Australian designed and made workstation systems ever since.

Our workstations are innovative, we do not offer "me too" products, and are all manufactured by our group from strong and durable materials.

Our systems are Australian designed and made, versatile and customisable and GECA Certified as environmentally preferable products.
